5K RACE
SATURDAY, October 19, 2024

The **TCS Toronto Waterfront Marathon** is Canada's premier running event and the grand finale of the **Canada Running Series (CRS)**. Since 2017, the race has served as the **Athletics Canada National Marathon Championship** race and has doubled as the **Olympic trials**.

Using innovation and organization as guiding principles, **Canada Running Series** stages great experiences for runners of all levels, from **Canadian Olympians** to recreational and charity runners. With a mission of "building community through the sport of running", CRS is committed to making sport part of sustainable communities and the city-building process.

New this year, the **5K race** moves to **Saturday**, in order to grow the charity component of this event. Last year we raised **\$2.42 million** for 150 community charities and this year we're hoping to reach **3 million!**

Please read the inside of this notice to learn about the road closures in your neighbourhood and be sure to share this information with your neighbours and customers.
